

HELP GET OUT THE VOTE AND PROTECT VOTERS!!

*Thanks to everyone who has helped with writing GOTV postcards for **Reclaim Our Vote!***

Please volunteer for another way to educate and protect Voters!

Phone-Banking

Phone Banking and Texting will be the most effective ways to reach people as the election gets closer. *Phone calls by **real people** have been shown to increase voter turnout by 2-3%, which is greater than the margin of votes in many elections.* This is a critical effort, as voters are being subject to mis-/disinformation, including assertions that they can't register, or confusion about polling places or early voting. The **Center for Common Ground - Reclaim Our Vote** campaign offers training, including "training for introverts"! For information on this campaign and training (which is short but required) go to www.votinginformation.org/rovphonebankcentral.

Texting

There's good news about texting to get-out-the-vote: it's all done by computer now, so your identifying information is not disclosed, and you do not have to work with the tiny keypad on your phones. Each of us can literally reach thousands of voters before the election through this medium. You can sign up for trainings through **Reclaim Our Vote** at <https://link.edgepilot.com/s/c6d1c14d/XvpUeUsHbkuFdLQEWxtNZg?u=https://actionnetwork.org/campaigns/text-per-cent-state-based-training>.

Voter Protection at the Polls – Be a Vote Protector!

Democracy NC is training Vote Protectors! For more information, see https://link.edgepilot.com/s/c081810c/Bqxc53G8pE_8WIK0O3ywaQ?u=https://democracync.org/take-action/election-protection/

Vote Protectors monitor polling places in their communities, flagging:

- Long lines
- Problems with curbside voting or accessibility
- Voter confusion
- Misinformation or voter suppression

As a Vote Protector, you will:

- Attend a two-hour online training
- Receive a vote protector t-shirt, sign, and other materials
- Monitor one or more voting sites on October 15, October 31, and/or November 3
- Report problems to the 888-OUR-VOTE hotline.

***By volunteering, you'll empower under-represented voters
and help protect voters who go to the polls!***
